

CADS MOUNT PAKENHAM 2024 SEASON INFORMATION

Bulletin #1 | November 21st, 2023

cadspakenham.ca

Bring on the 2023-2024 Season!

This update aims to provide information on the planning for the CADS Mount Pakenham (MPK) 2024 season and ensure that all members of the CADS Mount Pakenham community are well-informed about the upcoming season.

CADS MPK 2024 Season Program

The CADS MPK 2024 season program is scheduled to commence on Thursday, January 11th, 2024.

The costs for the CADS program will remain the same as last season. More details on program costs and additional information about one of the leading and busiest CADS programs in Canada can be found on the CADS MPK website at www.cadspakenham.ca

Registration is open at www.cadspakenham.ca/registration. Payment is not required during the initial registration process. A follow-up email will be sent by the Registrar after scheduling is completed, no later than December 15th, 2023, regarding payment.

CADS MPK COVID-19/Health Risk Management Guidance

For the 2024 season, CADS MPK will maintain safety measures due to the ongoing presence of COVID-19. All athletes and volunteers (excluding those with a medical waiver) are strongly encouraged to be fully vaccinated when participating in events, camps, programs, or lessons. If an athlete or volunteer tests positive for COVID-19 within five days prior to their scheduled activity, they should notify their lead instructor or on-hill supervisor and stay at home. It is crucial for anyone experiencing symptoms of COVID-19, cold, or flu to refrain from participating. The decision to wear masks is left to the discretion of athletes and volunteers.

Mount Pakenham 2023/24 Season

Mount Pakenham is preparing for another fantastic season, starting from approximately early-to-mid December '23 and running until mid-to-late March '24, with their regular day and night hours of operation.

Pre-Season Meet & Greet and Orientation

To welcome the new 2024 volunteers, CADS MPK will be hosting a Pre-Season Meet & Greet and Orientation event to connect and get informed about the upcoming season.

Event Details

Date: Wednesday, December 6th, 2023

Time: 6:30 PM to 8:30 PM

Location:

[Irish Hills Golf & Country Club - Bunker Lounge](#)

3248 Carp Rd, Carp, Ontario, K0A 1L0.

RSVP to registrar@cadspakenham.org

Pre-Season On-Hill CADS Training at MPK

Pre-season on-hill training sessions will be conducted on December 16th and 17th, 2023 at Mount Pakenham, subject to favorable snow conditions.

These sessions are specifically designed for registered new volunteers who are minimally intermediate skiers or snowboarders, as well as those volunteers with less than two years of CADS experience, and instructors/volunteers seeking to refresh or enhance their skills.

It is highly recommended for new volunteers to participate in training on both days and it is essential to bring personal ski or snow equipment along with helmets.

We also plan to offer additional CADS pre-season training opportunities at MPK between Christmas and New Year, as well as during the first week of January 2024, as required.
